“Love Will Guide Us.”

When we first chose the hymn “Love Will Guide Us” as our theme for the 2026-2027 Stewardship campaign, we didn’t foresee the importance of the words “Love Will Guide Us Through the Hard Night.” If ever there was a time in our country’s history when we needed the hope inside us to lead the way, this is it.

The 2026-2027 church year will be an important time for us to keep the UUCC beacon of hope shining brightly. The work of this church, being a face of service and liberal religious tradition in our community, is vitally important like never before. It is important that we support our amazing staff so they can continue to support us in these difficult times, that we maintain our buildings and grounds, and that we continue to bring our vision of justice and equity to our community locally as well as on a larger scale.

To that end, we are confident that we can reach our pledge goal of \$210,000. Pledges are the main source of funding for our budget every year. This fiscal year, our total proposed budget is \$324,971, of which 65% is expected to come from pledges.

We ask that you let love guide you in generously completing your enclosed pledge card and returning it by March 29 so the Board can determine a final budget for us to vote on at the annual meeting.

In beloved community,
Your Stewardship Co-Chairs,

Terry and Betty Cairn
